

Mike Flower says: "Thank you and happy Christmas"

Commenting on the result of the recent by-election in which Conservatives polled over half of all votes cast, Mike said, "I am proud and delighted to be given the opportunity to represent all of the residents of Aldridge North and Walsall Wood. Every vote counts and I am grateful to those who voted for me and will endeavour to do my best."

While all of those who voted deserve credit for taking the time to register their opinion, we would like to say a big thank you to those Conservative voters who took the time to support our local candidate. Mike will now try to tackle the issues you raised in our recent survey and start working towards the priorities in his election address.
